### Network Queries

<b>Network Reference number</b>	NGN _DDQ_33_ Green Gas Entry
<b>Licence</b>	
<b>Topic/Activity:</b>	GSoPS – Green Gas Entry
<b>Question:</b>	Can you please provide clarity on what the targets for the extension of GSoPs for Green Gas entry? Are they as proposed by NGN 5 and 30 days or do other standards apply?
<b>DDQ raised by</b>	Greg Dodd
<b>Date query raised</b>	30/07/2020
<b>Expected response date</b>	03/08/2020
<b>Ofgem Response:</b>  The targets for the extension of GSoPs for Green Gas entry will be 15 working days for providing an initial capacity study, and 30 working days for providing the full capacity study.
