Dear Network Companies,

**Direction under Part C of Special Condition 3.14 (Fuel Poor Network Extension Scheme (FPNES) volume driver) to issue the FPNES Governance Document**

1. Each of the companies to whom this direction is addressed is the holder of a licence granted or treated as granted under section 7 of the Gas Act 1989.
2. In accordance with paragraph 3.14.10 of Special Condition 3.14 (FPNES Governance Document), on 17<sup>th</sup> December 2020 the Gas and Electricity Markets Authority ("the Authority")<sup>1</sup> published on its website the text of the proposed FPNES Governance Document and stated that representations must be made on or before 29<sup>th</sup> January 2021.
3. We received 8 responses, which we have carefully considered. We have placed all non-confidential responses on our website. Our response to these comments is set out in the response log, which can be found [here](#).
4. We have made a number of changes to the proposed text for reasons set out in the response log and to fix typos and other errors. The full text of the FPNES Governance Document as well as a track change version compared with that published on 17<sup>th</sup> December 2020 can be found [here](#).
5. The reason for this direction is to give effect to our decision in Final Determinations<sup>2</sup> to have an FPNES Governance Document to set out the eligibility criteria which FPNES Connections must meet and the requirements the licensee must adhere to in relation to the administration and delivery of the FPNES as required by Part C of Special Condition 3.14.
6. This direction is our notice of reasons for the purposes of section 38A of the Gas Act 1986.

<sup>1</sup> The terms "the Authority", "we" and "us" are used interchangeably in this document.
