Dear Kristian

**Preparing for the end of the transition period: Statutory consultation on consequential licence modifications due to the end of the transition period**

Thank you for the opportunity to comment on the above statutory consultation, dated 12 October 2020. This response should be regarded as a consolidated response on behalf of UK Power Networks' affected distribution licence holding companies: Eastern Power Networks plc; London Power Networks plc; and South Eastern Power Networks plc.

Having reviewed the draft amendments to the licence condition we are comfortable with the changes and have no comments to make.

If you have any queries on our response please contact Paul Measday in the first instance.

Yours sincerely

Basil Scarsella  
Chief Executive Officer  
UK Power Networks
