

Electricity Network Innovation Competition Full Submission
Supplementary Answer Form

Project: EVOLUTION

Tick if this answer has been provided verbally: ☐

Project code	SPD/EN/01	Question Number	14
Question date	18 August 2015	Answer date	19 August 2015
Submission section question relates to	Various		
Topic	Multiple		
Question	Have you considered using the SGAM model in this project?		
Notes on question			
Answer	Yes we support the use of SGAM and can evidence use of the SGAM model and principles as part of our Award Winning LCNF project Accelerating Renewable Connections (ARC). To support this position we have provided an example of our use of SGAM modelling as part of ARC which is provided as an attachment.
