| Project code | NGGTGN03 | Question Number | 1 |
| Question date | 20/08/2015 | Answer date | 21/08/2015 |
| Submission section question relates to | Section 6 – Project Readiness 6.1 - Evidence as to why the project can start in a timely manner | | |
| Topic | Distribution Network Engagement | | |
| Question | Text notes 'all DN's have offered support to this project'. Appendix G does not provide letters support from all DNs. | | |
| Notes on question | N/A | | |
| Answer | <p>During our Distribution Network Engagement meeting with SGN (meeting minutes are available upon request) on 18/06/2015, SGN agreed to provide a letter supporting this innovation project. Although this was agreed during the meeting, the letter of support was received following the submission of the final NIC project document and therefore was not included in the submission.</p> <p>Attached is the letter of support from SGN.</p> <p>Our NGN representative unfortunately was unable to provide a formal letter of support but has provided an email stating NGN support the principle of this innovation project.</p> <p>Attached is the email from NGN.</p> <p>Also attached is a letter from United Kingdom Onshore Oil and Gas (UKOOG) which was also not included within the original submission.</p> | | |
