Submission section question relates to	Appendix 2		
Topic	General		
Question	Please complete the sentence at Appendix 2 that begins: '15 trials have been identified to address'.		
Notes on question			
Answer	<p>15 trials have been identified to address 80% of the needs from UK DNOs, the potential scale of which is demonstrated within 'Figure 2.1 – Trial Matrix' of the Full Submission Proposal, albeit this focuses on current technologies only.</p> <p>The Global Appraisal method, consisting of a review including current applications of telecoms within the DNO environment and also detailed industry engagement, will verify the assumptions within this matrix to ensure only pertinent technologies and systems are tested within the most appropriate environments to address this 80% of requirements.</p>
