

**Response to Ofgem's consultation, 'Proposals for DCC's role in developing a Centralised Registration Service and penalty interest proposals'.**

**Response by Statoil (U.K.) Limited**

**Sent by email, 12 January 2016**

*Good Morning,*

*Regarding the above consultation, I've checked internally and confirm that we have no small sites with smart meters therefore we feel we are out of scope for this particular consultation. Please advise if you require any further information.*

**Best Regards**

**Terry Burke**  
*Regulatory Affairs Adviser*
