Dear Laura,

Re: Ofgem consultation on the DCC Penalty Interest Rates

SSE welcomes the opportunity to respond to this consultation and we are pleased to confirm that we are generally supportive of the document and the updates made to the SLCs. We particularly welcome the inclusion of 'interest earned on service charges' in the definition of Regulated Revenues.

We are yet to see the conclusions from Ofgem's consultation on the role of the DCC in Centralise Registration System in relation to Ofgem's Switching Programme. We are particularly interested in this and would welcome further information in this regard.

If you have any questions or comments in relation to this brief response, please do not hesitate to get in touch.

Yours sincerely,

Patricia Hall
