Dear Andy

Version 2.1 of the Network Innovation Competition (NIC) Governance Documents

Thank you for the opportunity to respond to the consultation on the NIC governance document. This letter should be treated as a consolidated response on behalf of UK Power Networks' three distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc.

We confirm our support for the revision to the presumed interest rate in paragraph 5.19. We have one query in respect of the track changes to the page numbers in the Section B table of contents on page 44 – we are unable to see any corresponding track changes on pages 55 through to 63 and want to confirm that there should not be any.

If you have any questions on the points raised, please do not hesitate to contact Paul Measday on 07875 113241 in the first instance.

Yours sincerely

Keith Hutton
Head of Regulation
UK Power Networks
