Dear (...),

**Electricity and Gas (Energy Company Obligation) Order 2014, ("ECO2 Order")¹:
notification under article 25(3)**

[Notes: depending on the circumstances, carryforward the wording below as required.]

We refer to our letter of [***2017] (REF: SUP – MTNx) in which we notified you of our minded to decision to refuse or revoke approval of certain measures.

Thank you for the representations you made with respect to some of the measures listed in our letter.

We have assessed each of the measures listed in Appendix 1 of our letter of [***2017] (REF: SUP – MTNx) to determine whether it is a qualifying action to which we can attribute savings under Article 25 of the ECO2 Order. The reasons for our decision are set out at Appendix 2 to this letter.

As such, we have decided to refuse approval of the measures listed in Table 1 in Appendix 1 and to revoke approval of the measures listed in Table 2, Appendix 1.

We will not reconsider a decision unless exceptional circumstances apply. Exceptional circumstances are most likely to be circumstances where we have made an error in our assessment of the measure.

Please contact us at eco@ofgem.gov.uk if you have questions about this matter.

Yours sincerely,

Mary Smith
Head of ECO Operations
