

**Response by Energia to Ofgem,
Consultation**

***Renewables Obligation: Closure of the scheme to
onshore wind in England, Scotland, Wales and
Northern Ireland Investment Freezing Declarations***

12th June 2017

Energia welcomes the opportunity to respond to this Ofgem E-Serve's Guidance – Renewables Obligation: Closure of the Scheme to Onshore Wind in England, Scotland, Wales and Northern Ireland (Investment Freezing Declarations). Energia is one of the largest contributors to the achievement of renewable targets in Northern Ireland through its investment, development, contracting and trading activities in the renewable sector. Energia welcomes the further clarity that Ofgem is seeking to deliver.

Energia fully endorses the NIRIG detailed response to this consultation.
