

**Consent given by the Gas and Electricity Markets Authority pursuant to Standard Condition 9 (Claims for Last Resort Supply Payment) of the Gas Supply Licence treated as granted under section 7A of the Gas Act 1986 to Co-operative Energy Limited**

To: Co-operative Energy Limited (Company number 06993470)

**Whereas:**

A. Co-operative Energy Limited ("the Licensee") is the holder of a gas supply licence ("the Licence") granted or treated as granted under section 7(A)(1) of the Gas Act 1986.

B. The Gas and Electricity Markets Authority ("the Authority") issued the Licensee with a direction to supply gas to the customers of GB Energy Supply Limited with effect on and from 30 November 2016 under paragraph 1 of standard condition 8 of the Licence ("Last Resort Supply Direction")<sup>1</sup>.

C. The Licensee gave notice to the Authority on 13 November 2017 of its claim for a payment to compensate for any additional costs it incurred in complying with a Last Resort Supply Direction (a "Last Resort Supply Payment") under standard condition 9.3 of the Licence.

D. Standard conditions 9.5 and 9.6 of the Licence state that the Authority will give its consent for the Licensee to make the claim notified to it if it considers it appropriate in all the circumstances of the case or, within three months after it has been notified of the claim, the Authority may determine that an amount other than the one calculated by the Licensee is a more accurate calculation of the relevant amount for the Last Resort Supply Payment.

E. The Authority consulted on its determination of the amount it considered appropriate for the Licensee to recover.

F. The Authority has made a final decision on the relevant amount it will consent to the Licensee recovering as a Last Resort Supply Payment, taking into account representations from interested parties. The reasons for the Authority's decision can be found in its decision document<sup>2</sup>.

**Therefore:**

G. Pursuant to standard condition 9.6 of the Licence, the Authority hereby consents for the Licensee to claim for a Last Resort Supply Payment of up to £6,317,902 from the relevant gas transporters. Pursuant to standard condition 9 of the Licence, relevant gas transporters are gas transporter licensees in whose transportation areas there were premises supplied under the Last Resort Supply Direction, excluding independent gas transporters. This amount shall be reduced by 45% of any amounts the Licensee recovers from the liquidation of GB Energy Supply Limited.

H. This consent shall take effect on and from 19 January 2018.
