Direction issued to Limejump Energy Limited by the Gas and Electricity Markets Authority pursuant to paragraph 11.1 of the Standard Licence Condition 11 (Compliance with codes Industry Codes) of the Electricity Supply Standard Licence.

1. This direction is issued by the Gas and Electricity Markets Authority (the "Authority") pursuant to **paragraph 11.1 of the Standard Licence Condition 11 ("SLC 11.1")** of the Electricity Supply Standard Licence (the "Licence") granted under section 6(1)(d) of the Electricity Act 1989 to Limejump Energy Limited (the "Licensee").
2. SLC 11.1 of the Electricity Supply Standard Licence provides that the Authority may, after consulting with the Licensee and any other person of body likely to be affected, give a direction relieving the Licensee in whole or in part of its obligations to comply with the Grid Code.
3. The Authority hereby directs pursuant to SLC 11.1, that the Licensee is relieved of its obligations under SLC 11.1 of the Licence to comply with the requirement set in BC1.4, BC1.A.1.3.1, BC1.A.1.3.2 and BC1.A.1.5 of the Grid Code for the data referred to in those clauses to be submitted at a Grid Supply Point (GSP) level for Limejump Energy Limited BMUs (for AG-ALIM01, AG-BLIM01, and AG-ELIM01).
4. This Direction shall take effect from 9 July 2018 and shall remain in effect until implementation of GC0097 decision if approved or a further direction is issued if GC0097 is not approved.

Signed
