

Electricity Network Innovation Competition Full Submission
Supplementary Answer Form

Project: Charge: Refuelling Tomorrow's Electrified Transport

Tick if this answer has been provided verbally: ☐

Project code	SPMV1	Question Number	31
Question date	23/08/18	Answer date	28/08/18
Submission section question relates to		N/A	
Topic	g) Robust methodology and ready to implement		
Question	Is a more detailed project programme available?		
Notes on question			
Answer	<p>The project team and partner organisations all have strong track records in delivering the sorts of complex projects, within consortia, in line with NIC funding. The project plan has been developed to provide the key milestones and deliverables at this stage, however should funding be successful a more comprehensive plan will be developed as each work package is designed, still in keeping with plan outlined in the bid document.</p>
