

The Electricity Act 1989

Revocation Order under section 25(7)(c) of the Electricity Act 1989

To: Nabuh Energy Limited (company number 09812753) of 2 Pinfold Street, Sheffield, England, S1 2GU ("**Nabuh**")

WHEREAS:

- A. Based on information received by the Gas and Electricity Markets Authority (the "Authority"), it appeared to the Authority that Nabuh was likely to contravene the Renewables Obligation Order 2015 and/or the Renewables Obligation (Scotland) Order 2009 by failing to produce Renewables Obligation Certificates to the Authority, or to make payments as an alternative, sufficient to discharge its Renewables Obligations ("RO"), which is an obligation enforceable by the Authority as a relevant requirement for the purposes of section 25 of Electricity Act 1989 (the "EA 1989");
- B. Having regard to the matters set out in sections 25(2), (3)(a) and (b) of the EA 1989, the Authority made a Provisional Order on 31 October 2019 (the "PO") requiring Nabuh to make payment forthwith of the outstanding sum sufficient to discharge its RO;
- C. Since 31 October 2019 the Authority has not been required to confirm the PO pursuant to section 24(4) of the EA 1989 owing to the information set out in paragraph D below; and
- D. Nabuh made payment of the outstanding sum to the Authority on 8 and 15 November 2019 and, as such, the Authority is now satisfied that the provision made by the PO dated 31 October 2019 is no longer requisite for the purpose of securing Nabuh's compliance with its RO as stated in paragraph A of this Order, and the Authority hereby revokes the PO.

NOW THEREFORE:

The Authority, pursuant to section 25(7)(c) of the EA 1989, revokes the PO.

Dated: 21 November 2019

Signed:
