Dear (...),

**The Electricity and Gas (Energy Company Obligation) Order 2018 (as amended),  
("ECO3 Order"): notification under article 26(4)**

**[Notes: depending on the circumstances, carryforward the wording below as required.]**

We refer to our letter of [\*\*\*2019] (REF: SUP – MTNx) in which we notified you of our minded to decision to refuse or revoke approval of certain measures.

As explained previously, we have assessed each of the measures listed in Appendix 1 of our letter of [\*\*\*2019] (REF: SUP – MTNx) to determine whether it is a qualifying action to which we can attribute savings under Article 26 of the ECO3 Order.

**[We have carefully considered the representations made in response to our letter./We note that you did not make representations in response to our letter.]**

As such, we have decided to refuse approval of the measures listed in Table 1 in Appendix 1 and to revoke approval of the measures listed in Table 2, Appendix 1. The reasons for our decision are set out in Appendix 2 to this letter.

We will not reconsider a decision unless exceptional circumstances apply. Exceptional circumstances are most likely to be circumstances where we have made an error in our assessment of the measure.

Please contact us at [eco@ofgem.gov.uk](mailto:eco@ofgem.gov.uk) if you have questions about this matter.

Yours sincerely,

Patrick Etheridge  
Assurance Senior Manager
